EndNote X3
Setting Up Preferences

These changes to your preferences must be added in order for EndNote to work correctly.

1. Open EndNote X3
2. Go to the Edit drop-down menu on the main toolbar and select Preferences

2. Enter the following in OpenURL Path:  http://sfx.calstate.edu:9003/sacramento
   [the “0” is the number zero, not a letter]
3. Enter the following in Authenticate with URL:  http://proxy.lib.csus.edu/login?url=

DM/EN/Preferences/12/3/009
